Mr. Connell

April 29, 1949

Dear Scouter:

Enclosed is a camp enrollment report. As you can see it is not good. Our last report was not good and this report shows very little improvement.

At the Camping Committee Meeting held April 14 the question of camp enrollment was given a thorough airing. Most of the men were optimistic about our attendance at this summer's camp. It was thought that we were just slow in getting our registrations in.

On April 21st the question of Summer Camp enrollment was presented at the Executive Board Meeting. Chairman Frank Anger asked every district to report on what they were doing about camp enrollment. Again these verbal reports were most enthusiastic about the plans made to get boys to camp and the possible enrollment for this summer.

We seem to have plenty of optimism but very few boys. Here is a comparison of this year's figures by camps with last year's as of the same date:

<u>Camp</u>	<u>4/29</u> <u>1948</u>	<u>4/29</u> <u>1949</u>
Beard	465/40	120/15
Stuart	750/73	207/20
West	371/27	56/ 6
Blackhawk	43/ 4	54/ 5
Wilderness	117/12	50/ 8
Hiawatha Beach	64/ 9	44/ 7
Pioneer	84/ 8	60/ 8
White River Lumber	-	9/ 1

GRAND TOTAL

1894/173

600/70

Starting next week we will report camp enrollment twice a week. We must begin to get troops on the line in this office. Our new district setup should make it easier to contact the individual troop.

If you need more information from the Camping Service be sure to ask for it. Our camping plans and budget depend on an early knowledge of how many boys we will have in camp this summer.

Sincerely,

Jack Conley

SCOREBOARD

0	1	1	0
1	0	1	0

HERE'S THE SCORE!

1. Since our last report, a week ago, we have added 513 Scouts for Owasippe.
2. Eight Districts have already signed up more boys than they had in Camp last year.
3. If the other 15 Districts would just reach what they had last year, we would add 600 more boys.
4. Remember! we must have 2,500 boys in Owasippe to operate a full Camp.
5. REMEMBER! REMEMBER!!! we should have 3,000 boys in Owasippe to do the kind of a job we can be proud of.
6. Read the attached information as to where you can find additional boys.

SOURCES OF ADDITIONAL BOYS
FOR SUMMER CAMP

Here are a few suggestions as to where we can find additional boys for our Summer Camps.

1. At the present time, we are averaging ten boys per Troop in our Summer Camp Enrollment. Last year, we averaged twelve boys per Troop. This would seem to indicate that we could secure one or two more boys from each Troop now registered. On a Council basis, this could produce better than 350 additional boys.
2. There is still outstanding, a number of Troops who attended last year, but who have not registered so far this year. If we could get these Troops in, we have a potential of better than 300 additional boys.
3. Last year, we had more than 300 Troops who had no boys in Summer Camps. We believe that there are a large number of Scouts in these Troops who could and would go to Camp if properly approached. The most productive way to approach these Troops is to try to get two or more boys from each Troop. This gives the boy someone he knows to go to Camp with him. If we only averaged one per Troop, we have 300 additional boys.

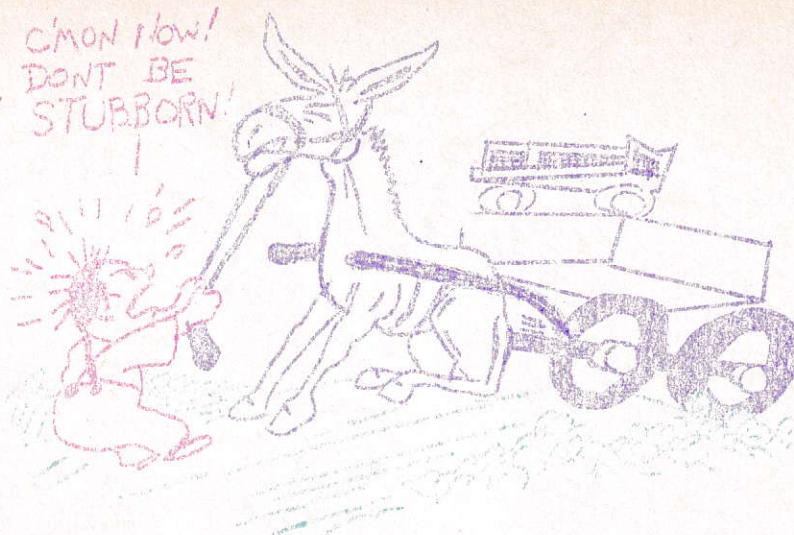

If you will add these three items together, you will see we have a potential of nearly 1,000 additional boys.

If we could only produce half of them, we would insure an adequate number to operate all our Camps at full strength.

C'MON NOW!
DONT BE
STUBBORN!

6/13/49

LET'S ALL GIVE A GOOD PULL!

Will you pull a little harder and help us reach 2,594 Campers at Owasippe by Thursday night, June 16, 1949. That's the Meeting of the Council Executive Board.

We need only 276 Scouts to reach that goal. If each District will bring in only 12 Scouts, it will do the trick.

Mr. Connell

July 14, 1949.

TO: District Executives and Camp Committee:

You will note that this weeks report lists 2,898 boys as our enrollment for Owasippe. That looks pretty good compared with the 2,594 that attended last year.

Remember that the figure of 2,898 is boys who have paid their \$2.00 reservation fee and the 2,594 is boys who actually got to Camp.

We must be careful of the shrinkage between registrations paid and boys actually getting to Camp.

Will you keep in touch with your leaders, and urge an early payment of Board Fees.

We should get at least another 100 boys registered so that we will reach 3,000 paid reservations. How about beating the bushes a little harder?

Mr. Connelley

July 15, 1949.

Dear Scouter:

We will have our July Meeting of the Camping and Activities Committee on Thursday, July 21, at the Council Office, 9 W. Washington St. It will be an evening meeting, beginning at 8:00 P.M.

We have some matters concerning the operation of Summer Camp which need to be decided, as well as the report on the progress of several projects which we have under way.

We will also need to discuss the effect of the age change on our Camp Program, and our participation in the National Jamboree, which is to be held next Spring at Valley Forge, Pa.

The Camping and Activities Committee will have a prominent part in setting up plans for our participation in the Jamboree.

Sincerely yours,

Jack F. Conley
